

A rare opportunity to experience entity removal with  
Portland's Astro Soul group

# Entity Clearing

Sunday Nov. 22<sup>nd</sup>  
2-4pm

Entities (disincarnate souls)  
get attached to us from past lives,  
family members and environments we find ourselves in. Entity clearing  
(called a Trance Table in our system) allows one of our healing  
practioners to channel souls that are in your energy field that may have a  
strong influence on your thoughts and feelings. At these clearings the  
souls are then crossed over to the other-side and you are freed of the  
influencing behavior. \$20
